ABOUT THE JASPER

The ranch-style Jasper plan makes entertaining easy! Its design centers around a spacious great room that flows into a large kitchen with a center island, so you can chat with guests while whipping up culinary wonders. A breakfast nook is steps away, leading to a covered patio that's perfect for morning coffee. The expansive primary suite features a walk-in closet, as well as an attached bathroom. This home will be built with a third bedroom or a study, a tandem garage or a fourth bedroom, and either a storage area or an additional bathroom. You'll love its professionally curated finishes!

*This information is presented for educational purposes only. The HERS® index for a confirmed rating will be determined by a third-party HERS rater based on data gathered from on-site observations and, if required, testing of rated features for a home as featured, optioned, located, oriented and/or built.

**Standard new home is based on the RESNET® Reference Home definition with a HERS index of 100 (based on the 2006 International Energy Conservation Code).

***Typical resale home is based on the U.S. Department of Energy definition with a HERS index of 130.

^RESNET has developed the HERS index to indicate the comparative efficiencies of homes. It is no guarantee that energy efficiencies will be achieved.
