ABOUT THE GARDENIA

The Gardenia plan was designed for entertaining, with open dining and great rooms and a large kitchen featuring a center island and walk-in pantry. A convenient powder room completes the main floor. Upstairs, you'll find a laundry, a secondary bedroom and bathroom and a versatile loft that can be optioned as a third bedroom. An elegant owner's suite—complete with oversized walk-in closet and attached bath—is also included. Make this home your own with an optional covered patio.
