ABOUT THE ALEXANDRITE

The Alexandrite plan combines spacious living areas with ample opportunities for personalization. A covered entry leads past a laundry into an open floorplan, featuring a kitchen with a center island, a dining area, and a great room with optional fireplace. The owner suite is adjacent, and includes a walk-in closet and private bathroom. You'll find two additional bedrooms and a full bath, as well as a study that can be optioned as a fourth bedroom. Personalize this plan with an optional 3-car garage, covered patio or extended deck!
