ABOUT THE HOPEWELL

Love to entertain? The eye-catching Hopewell plan's open great room and dining area are ideal for gathering with friends and family, while the adjacent kitchen allows you to interact with guests without interrupting meal prep. Upstairs, enjoy a spacious loft and three bedrooms, including a stunning primary suite with an expansive walk-in closet and private bath. Conveniences such as the central laundry and the generous kitchen island add to this home's appeal. The Hopewell will be built with either a study and powder room or an extra bedroom and bath off the entry. Select homes may also offer gourmet kitchen features, an inviting morning room, a bedroom and bath in lieu of the loft, a deluxe primary bath and/or a covered patio.
