ABOUT THE YORKTOWN

The Yorktown's main floor offers an expansive entertaining space that includes a relaxing great room, an open dining area and a well-appointed kitchen with a large center island. Either a study and powder room or a bedroom and full bath complete this level. A spacious loft, a hall bath, a convenient laundry and four bedrooms—including a stunning primary suite boasting a private bath and immense walk-in closet—are located upstairs. The Yorktown may also be built with a gourmet kitchen, a sunroom, a deluxe primary bath, an extra bath on the second floor and/or a tranquil covered patio. The fixtures and finishes are carefully curated by our design team!
