ABOUT THE BEDFORD

The beautiful Bedford plan offers two stories of smartly designed living space. On the main floor, you'll find a spacious dining room, a great room and a kitchen with a center island, as well as a convenient mudroom and powder room. Upstairs, there's a versatile loft, a central laundry, a hall bath and three inviting bedrooms—including a lavish primary suite with a walk-in closet and private bath. This home may also be built with a gourmet kitchen, a sunroom, a deluxe primary bath, an extra bedroom in lieu of the loft and/or a covered patio. The fixtures and finishes are carefully selected by our design team!
