ABOUT THE MOONSTONE

Spacious and accommodating, the two-story Moonstone plan features an open-concept main floor and four charming bedrooms upstairs. This home will be built with a study and a powder room or an extra bedroom and bath off the entry. Toward the back of the home, a great room flows into an inviting kitchen with a center island and adjacent dining room. Upstairs, enjoy a sprawling primary suite with an attached bath and walk-in closet. The second floor will be built with either a loft or an additional bedroom. Designer-curated finishes are included!
