ABOUT THE CHERRY

The two-story Cherry floor plan was built to impress. A charming covered entry welcomes guests into the home where you'll discover a relaxing living room, an open dining room, and a well-planned kitchen offering a convenient island. Upstairs, you'll find three generous bedrooms, including a lavish primary suite boasting a spacious walk-in closet and a private bath with double sinks. A central laundry and a secondary bath round out this floor. Select homesites may be built with a covered patio.
