ABOUT THE DANIEL

A charming covered porch welcomes guests to the Daniel home. This stylish ranch plan features an expansive great room and adjacent dining area that are perfect for entertaining. A gourmet kitchen boasting a center island and walk-in pantry can also be found at the heart of the home. You'll appreciate the secluded primary suite, which showcases a spacious walk-in closet and a private bath with double sinks and a separate soaking tub. An elegant study, two secondary bedrooms, a central laundry and a second full bath complete the main floor. Additional highlights include a covered patio and a finished basement, which offers a rec room, a versatile flex room and an extra bedroom and bath.
