ABOUT THE GREENWICH

The dynamic Greenwich plan is ideal for entertaining. Its open, inviting main floor offers a spacious kitchen with a generous island, an adjacent dining area, and a living room leading onto a serene deck. Upstairs, you'll find two bedrooms, including an elegant primary suite boasting a walk-in closet and a deluxe bath with double sinks and a large walk-in shower. The laundry is located on the lower floor; and the rooftop terrace provides additional space to relax. This designer-curated home may also be built with gourmet kitchen features.
