ABOUT THE HEMINGWAY

Highlights of the two-story Hemingway plan include a welcoming covered porch and generous entertaining areas, such as a versatile flex room, a great room with a fireplace, and a gourmet kitchen offering a center island and walk-in pantry. A cheerful sunroom and convenient powder room complete the first level. On the second floor, you'll appreciate a central laundry, a loft, three secondary bedrooms with a shared bath, and a beautiful primary suite showcasing a sizable walk-in closet and a deluxe bath with double sinks, a shower, and a soaking tub. The finished basement boasts a rec room, bedroom, and full bath. This home may also be built with a covered patio.
