ABOUT THE HARMON

The impressive Harmon plan offers a wealth of exciting features, including a welcoming covered entry, formal living and dining rooms, and an inviting great room with a cozy fireplace. Just off the gourmet kitchen, which showcases a generous center island, are a built-in tech center and butler’s and walk-in pantries. A study, convenient laundry, and full bath complete the main floor. Upstairs, you’ll find three secondary bedrooms, two additional bathrooms, and a luxurious primary suite boasting a private retreat, an immense walk-in closet, and a deluxe bath with dual vanities, a shower, and a soaking tub. Personalize the Harmon with a professional kitchen, built-in bookcases at the great room, a bedroom in lieu of the study, a cheerful covered patio with center-meet or multi-slide doors, and/or a primary suite coffee bar. The basement may be built finished, with a rec room and wet bar, flex room, bedroom, and full bath.
