ABOUT THE ONYX

Enjoy single-floor living in this inspired ranch floor plan! At the front of the home, you'll find two bedrooms flanking a full bath. Toward the back, there's a well-appointed kitchen nestled between an elegant dining room and generous great room. A tech center provides added convenience! The laundry is located near the master bedroom, which has a large walk-in closet and a private bath. Add a covered patio for outdoor entertaining.

*This information is presented for education purposes only. The HERS index for a confirmed rating will be determined by a third-party HERS rater based on data gathered from on-site observations and, if required, testing of rated features for a home as featured, optioned, located, oriented and/or built.

+Standard new home is based on the RESNET® Reference Home definition with a HERS® index of 100 (based on the 2006 International Energy Conservation Code).

++Typical resale home is based on the U.S. Department of Energy definition with a HERS® index of 130.

^RESNET® has developed the HERS® index to indicate the comparative efficiencies of homes. It is no guarantee that energy efficiencies will be achieved.

Floor plans and renderings are conceptual drawings and may vary from actual plans and homes as built. Options and features may not be available on all homes and are subject to change without notice. Actual homes may vary from photos and/or drawings which show upgraded landscaping and may not represent the lowest-priced homes in the community. Features may include optional upgrades and may not be available on all homes.
