ABOUT THE HOPEWELL

The eye-catching Hopewell plan is an entertainer's dream! The inviting main floor showcases a beautiful study, an extended great room, an open dining area, and a thoughtfully designed kitchen with a center island. Upstairs, enjoy a large loft, a secondary bath, and three bedrooms, including a serene primary suite offering an expansive walk-in closet and a private bath. Conveniences such as the central laundry and powder room add to the home's appeal. Put your personal touch on the Hopewell with options like a gourmet kitchen, a sunroom, a bedroom and full bath in lieu of the study and powder room, a deluxe primary bath, a bedroom and bath in place of the loft, and a covered patio. The basement may be finished with a rec room, bedroom, and bath.
