ABOUT THE CORAL

The main floor of the Coral plan offers a large, uninterrupted space for relaxing and entertaining. The well-appointed kitchen features a spacious center island and opens to the dining and great rooms. Upstairs, you'll find a convenient laundry, a versatile loft, a full bath tucked between two generous bedrooms, and an inviting master suite with an oversized walk-in closet and private bath. Options include barn doors in the kitchen and a fourth bedroom in lieu of the loft.

*This information is presented for education purposes only. The HERS index for a confirmed rating will be determined by a third-party HERS rater based on data gathered from on-site observations and, if required, testing of rated features for a home as featured, optioned, located, oriented and/or built.

+Standard new home is based on the RESNET® Reference Home definition with a HERS® index of 100 (based on the 2006 International Energy Conservation Code).

++Typical resale home is based on the U.S. Department of Energy definition with a HERS® index of 130.

^RESNET® has developed the HERS® index to indicate the comparative efficiencies of homes. It is no guarantee that energy efficiencies will be achieved.

Floor plans and renderings are conceptual drawings and may vary from actual plans and homes as built. Options and features may not be available on all homes and are subject to change without notice. Actual homes may vary from photos and/or drawings which show upgraded landscaping and may not represent the lowest-priced homes in the community. Features may include optional upgrades and may not be available on all homes.
