ABOUT THE RUBY

The ranch-style Ruby plan was designed for entertaining, offering a generous great room, an open dining area, and a comfortable covered patio with center-meet doors. You'll also appreciate a well-appointed kitchen boasting a center island and walk-in pantry, plus four relaxing bedrooms, including a stunning primary suite with a private bath and oversized walk-in closet. Make this home your own by opting for a study in lieu of a bedroom. A convenient laundry and a shared bath round out this plan.
