ABOUT THE PEWTER

The attractive Pewter floor plan opens with two bedrooms flanking a full hall bath. The entryway leads to a thoughtfully designed kitchen with a center island and a walk-in pantry, an inviting dining area, and a spacious great room with access to a relaxing covered patio. Nearby, a beautiful primary suite boasts a walk-in closet and a private bath. This home can be built with either a third bedroom or a study. A laundry and drop zone are also included.
