ABOUT THE DAYTON

The thoughtfully designed Dayton plan greets guests with a charming covered entry and continues to impress with an expansive great room, a serene patio, and a thoughtfully designed kitchen boasting a large island and a walk-in pantry. Foodies and aspiring top chefs may want to opt for a gourmet kitchen. The main floor also offers a convenient laundry, a powder room, a drop zone, a formal dining room, a quiet study, and a bedroom with an attached bath. Upstairs, you'll find four bedrooms, highlighted by a stunning primary suite showcasing dual walk-in closets and a deluxe bath with double sinks. This floor can be built with either a loft or an extra bedroom. Make this home your own with a covered patio and/or a retreat in the primary suite in lieu of a secondary bedroom.
