ABOUT THE AMMOLITE

The main floor of the exciting Ammolite plan offers a spacious great room, an inviting dining area, and a well-appointed kitchen with a center island and a walk-in pantry. You'll also appreciate a drop zone and a tranquil patio that can be covered. This level can be built with an impressive guest suite and powder room; a flex room, powder room, and study; or a flex room, bedroom, and full bathroom. Upstairs, discover a loft, a laundry, three secondary bedrooms, a shared bath, and a lavish primary suite showcasing an expansive walk-in closet and a private bath. Make this home your own by opting for an extra bedroom in lieu of the loft.
