ABOUT THE PINECREST

Highlights of the smartly designed Pinecrest plan include an open dining area, an impressive kitchen boasting a center island and a walk-in pantry, and a large great room. The nearby primary suite offers an expansive walk-in closet and a private bath. You'll also enjoy a quiet study, a central laundry, a powder room, and a covered patio. This plan can be built with either a full guest suite—perfect for multi-generational living—or two secondary bedrooms with a shared bath. Add a gourmet kitchen and/or a deluxe primary bathroom to further personalize this home.
