1 SMARTER LIVING

From the moment you walk in, easily drop off bags, coats, and shoes before swiftly storing groceries in the adjacent pantry and kitchen.

2 WORK-LIFE BALANCE

Compact yet versatile, a pocket office offers dedicated space for work or study, giving you the ability to close the door and step away when it's time to unwind. The space can also be repurposed for extra storage.

3 PEACEFUL OUTDOORS

Time outside can boost your well-being, and a covered patio allows you to enjoy the benefits year-round.

4 CALMING CONNECTION

The great room windows turn the backyard into a centerpiece inviting nature inside. Natural light and views of the outdoors can help relieve stress making this a great place to relax.

UPPER LEVEL

1 PEACE AND PURPOSE

Coffered ceilings are popular for their visual depth, but did you know they can also help with acoustics by absorbing sound? The effect is a calmer space which aids in relaxation.

2 LOFTY SPACES

Whether relaxing or entertaining, this loft is an excellent space to enjoy the cozy comforts of home. Check the variations page for other versions of this space.

3 NATURAL BOOST

The positive impacts of natural light are many. Extra windows in spaces like the stairwell can make a difference in how your home feels day-to-day.

4 SHARED PRIVACY

Secondary bath separation allows multiple people to get ready at the same time.

5 SPACIOUS EASE

The utility room has an optional structure that can help with adapting to your routine. Open spaces next to the machines can be great for pet areas, drying racks, or laundry hampers.

THE 2184 VARIATIONS

Some homes feature alternate configurations that provide variety across each plan. Depending on construction progress, your home may already include some of these features. We'll help you explore what's available and guide you to a home that suits your needs and timeline.
