ABOUT THE FOSTER

Highlights of the head-turning Foster plan's main floor include a generous great room, an inviting dining area, and an elegant kitchen boasting a sizable island. A study and convenient powder room round out this floor. Upstairs, the home offers two secondary bedrooms, a shared bathroom, a laundry, and either a roomy loft or an extra bedroom. The luxurious primary suite showcases a spacious walk-in closet and a private bath with double sinks. Personalize this plan with a gourmet kitchen, a sunroom, a bedroom and full bath in lieu of the study and powder room, a deluxe primary bath, a charming covered patio, and a finished basement with a rec room, bedroom, and bathroom
