ABOUT THE DARIUS

At the heart of the single-story Darius plan, discover an inviting dining area, an expansive great room, and a well-appointed kitchen offering a center island, a walk-in pantry, and optional gourmet features. You'll love the luxurious primary suite, complete with a large walk-in closet and a private bath that can be built with deluxe options. This home also boasts a second primary suite showcasing a living room, bedroom, and full bath. Two additional bedrooms, a quiet study, a shared bath, convenient laundry and powder rooms, and a charming covered patio round out this plan. Airy 10' ceilings further add to this home's appeal. Make this home truly your own by adding a club room and primary suite retreat in lieu of the second primary suite.
