ABOUT THE BEDFORD

In the swift-moving waters of life, let this Bedford home be your anchor. With plenty of opportunities for personalization, this floor plan can be exactly what your household needs. If indoor-outdoor entertaining spaces are priorities, opt for a sunroom and covered patio just off the kitchen and great room. Need extra parking or storage space? Swap the 2-car garage with a roomier 3-car version. Upstairs, enjoy either a loft or an extra bedroom, depending on the size of your family or how often you host guests. For ultimate versatility, you can even select a finished basement that offers additional space for relaxing and accommodating visitors. Here, the possibilities can become realities!
