ABOUT THE YORKTOWN

The main floor of the Yorktown was designed for entertaining, offering an expansive great room with optional fireplace, an open dining room overlooking a covered patio and backyard and a well-appointed kitchen with a large center island. The 3-car garage leads to a convenient mudroom with walk-in closet, a powder room and a private study. On the second floor, there's an immense loft surrounded by four bedrooms, a shared bath, a laundry room and a master suite with its own bath and spacious walk-in closet. Options include a sunroom, extra bedrooms and a deluxe bath.

*This information is presented for education purposes only. The HERS index for a confirmed rating will be determined by a third-party HERS rater based on data gathered from on-site observations and, if required, testing of rated features for a home as featured, optioned, located, oriented and/or built.

+Standard new home is based on the RESNET® Reference Home definition with a HERS® index of 100 (based on the 2006 International Energy Conservation Code).

++Typical resale home is based on the U.S. Department of Energy definition with a HERS® index of 130.

^RESNET® has developed the HERS® index to indicate the comparative efficiencies of homes. It is no guarantee that energy efficiencies will be achieved.

Floor plans and renderings are conceptual drawings and may vary from actual plans and homes as built. Options and features may not be available on all homes and are subject to change without notice. Actual homes may vary from photos and/or drawings which show upgraded landscaping and may not represent the lowest-priced homes in the community. Features may include optional upgrades and may not be available on all homes.
