**ABOUT THE RALEIGH**

You'll find plenty to love about the Raleigh plan, a versatile ranch-style home with a number of personalization options. Located off the entryway, a spacious study can also be optioned as a dining room, an extra bedroom and even a guest suite with a full bath and walk-in closet. The center of the home boasts a large kitchen with a convenient center island and walk-in pantry. The kitchen flows into an open-concept nook and great room, which offers direct access to an inviting covered patio. From the great room, you can also make your way to two secondary bedrooms, as well as a secluded master suite with a private bath and walk-in closet. Additional options include a fifth bedroom in lieu of garage storage space, a gourmet kitchen with a butler's pantry or tech center, and three deluxe master bath layouts.

\*This information is presented for education purposes only. The HERS index for a confirmed rating will be determined by a third-party HERS rater based on data gathered from on-site observations and, if required, testing of rated features for a home as featured, optioned, located, oriented and/or built.

+Standard new home is based on the RESNET® Reference Home definition with a HERS® index of 100 (based on the 2006 International Energy Conservation Code).

++Typical resale home is based on the U.S. Department of Energy definition with a HERS® index of 130.

^RESNET® has developed the HERS® index to indicate the comparative efficiencies of homes. It is no guarantee that energy efficiencies will be achieved.
