ABOUT THE ALEXANDRITE

The Alexandrite plan combines spacious living areas with ample opportunities for personalization. A covered entry leads past a study—also available as an additional bedroom—into an open layout, featuring a kitchen with a center island, a dining area and a great room with an optional fireplace and access to a covered patio. A master suite is adjacent, and includes a walk-in closet and private bathroom. Additional highlights include two more bedrooms and a full bath, as well as a laundry room. Personalize further with an optional extended covered patio!
