ABOUT THE DARIUS

Part of the Modern Living™ Collection, the Darius provides a sophisticated and accommodating ranch-style layout. In addition to a lavish owner's suite—with a roomy walk-in closet and attached double-sink bath—this home includes a second owner's suite with an adjacent living room, perfect for multi-generational living. For a more complete secondary residence, opt for a separate entrance to the living room on the side of the house, in addition to a kitchenette with a sink, refrigerator and cabinets. You'll also enjoy a 3-car garage, a formal dining room, a great room with an adjacent covered patio—featuring optional center-meet and multi-slide doors—and an inviting gourmet kitchen with a generous island, built-in pantry and a dining nook. Additional options: study, owner's retreat, and club room.
