ABOUT THE SUNSTONE

The ranch-style Sunstone home showcases an airy, open layout, centered around a spacious great room and large kitchen. The luxurious master bedroom features two walk-in closets—one of which can be optioned as a tech center—as well as an attached bathroom with an optional barn door. A covered patio is the perfect place to relax, and the third bedroom can be optioned as a teen room for extra space. Further personalize with an optional extended garage, and a study in lieu of the fourth bathroom.

\*This information is presented for education purposes only. The HERS index for a confirmed rating will be determined by a third-party HERS rater based on data gathered from on-site observations and, if required, testing of rated features for a home as featured, optioned, located, oriented and/or built.

+Standard new home is based on the RESNET® Reference Home definition with a HERS® index of 100 (based on the 2006 International Energy Conservation Code).

++Typical resale home is based on the U.S. Department of Energy definition with a HERS® index of 130.

^RESNET® has developed the HERS® index to indicate the comparative efficiencies of homes. It is no guarantee that energy efficiencies will be achieved.
