ABOUT THE PRESCOTT

The ranch-style Prescott plan offers an array of exciting features! Just past the covered entry, you'll find two inviting bedrooms, each with a walk-in closet and access to the Jack-and-Jill bath nestled between. Farther down the hall, there's a powder room and mudroom with optional built-in bench and key drop. From there, the home opens into a great room, dining room and kitchen—complete with walk-in pantry and generous island. Center-meet doors allow easy entertaining on the covered patio. The master bedroom has a large en suite bath with two sinks and a roomy walk-in closet. An attached RV garage and additional 2-car tandem garage provide ample parking for vehicle storage. Finish the basement for even more living space!
