ABOUT THE AMMOLITE

The main floor of the versatile Ammolite plan offers a convenient powder room, a private study and a flex room. You’ll also appreciate a spacious great room and an open dining room that flows into a well-appointed kitchen featuring a center island and walk-in pantry. Upstairs, discover a laundry, a central loft and three secondary bedrooms with a shared bath. A lavish master suite with an expansive walk-in closet and private bath rounds out the floor. Personalize this plan with a guest suite in lieu of the study and flex space, a fifth bedroom in place of the loft, two covered patio options and more!
