Through the covered entry of the charming ranch-style Noble plan, you'll find two bedrooms and a shared hall bath. Make your way to the back of the home, where an open great room, kitchen and dining room provide an inviting space for relaxing and entertaining. Completing the thoughtfully designed layout are a convenient central laundry and a lavish owner's suite, which includes a private bath with an optional barn door and double sinks and a generous walk-in closet. Additional ways to personalize this plan include a great room fireplace, sunroom, covered patio and 3-car garage.
