ABOUT THE OXFORD

Love luxury? The Oxford won't disappoint! This can't-miss floor plan boasts a well-appointed kitchen with a prep island and a walk-in pantry, overlooking an airy great room and a dining area. An inviting primary suite is nearby, showcasing an oversized walk-in closet and an attached bath that can be optioned with deluxe features or a lavish walk-in shower. A centrally located laundry, a mudroom, a study, a powder room and two additional bedrooms—each with a walk-in closet—round out the home. Personalize this plan with a fourth bedroom in place of the study, an extended kitchen island, gourmet or deluxe features at the kitchen, a tech center, a third bath and a covered patio.

**What's a HERS® index?** HERS stands for Home Energy Rating System, a system created by RESNET® to measure home energy efficiency.^  
A projected HERS index or rating is a computer simulation performed prior to construction by a third-party HERS rater using RESNET-accredited rating software, rated feature and specification data derived from home plans, features and specifications, and other data selected or assumed by the rater. The projected HERS index is approximate and is subject to change without notice. Actual results will vary.
