ABOUT THE BRONZE

The impressive Bronze floor plan certainly scores gold for design! An inviting open layout is at the heart of this ranch-style home, showcasing a dining area, a kitchen with a center island, and a light-filled great room with center-meet doors. An elegant owner's suite is adjacent, boasting an oversized walk-in closet and a private bath. Two generous bedrooms, a laundry and a mudroom complete the residence—which also includes a 2-car garage and an attached RV UltraGarage®! Personalize this plan with a study in place of the third bedroom and a covered patio.
