ABOUT THE PEWTER

The ranch-style Pewter floor plan boasts more than thoughtful design and exciting features: it also includes an UltraGarage[®]! The interior of the home is just as impressive, showcasing an open layout with a great room, a dining area and a well-appointed kitchen with a center island and a large walk-in pantry. The owner's suite is adjacent, offering a walk-in closet and a private bath. Two additional bedrooms, a laundry and a mudroom round out the residence. Also includes a covered patio and a 2-car garage! Make this dream home your own and opt for a study in place of the third bedroom.
