ABOUT THE CITRINE II

The main floor of the inviting Citrine II plan boasts an open great room and a well-appointed kitchen featuring a center island, a generous pantry and an adjacent dining room with center-meet doors leading onto an optional covered patio. You'll also appreciate a convenient powder room and a quiet study—perfect for catching up on work or homework! Upstairs, discover a central laundry, two secondary bedrooms with a shared bath, and an elegant owner's suite showcasing a private bath with optional double sinks and an immense walk-in closet. Personalize this plan with a fourth bedroom and full bath in lieu of the study and powder room, an upstairs linen closet and more!

^{*}This information is presented for educational purposes only. The HERS® index for a confirmed rating will be determined by a third-party HERS rater based on data gathered from on-site observations and, if required, testing of rated features for a home as featured, optioned, located, oriented and/or built.

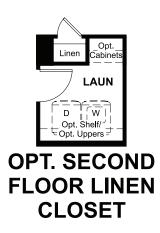

^{**}Standard new home is based on the RESNET® Reference Home definition with a HERS index of 100 (based on the 2006 International Energy Conservation Code).

^{****}Typical resale home is based on the U.S. Department of Energy definition with a HERS index of 130.

MAIN FLOOR SECOND FLOOR

How does this floor plan rate?

Take a look: **I 00** = standard new home" **I 30** = typical resale home" The lower the number, the better! Refer to the RESNET® HERS index brochure or go to **RESNET.us** and **HERSindex.com**

What's a HERS® index? HERS stands for Home Energy Rating System, a system created by RESNET® to measure home energy efficiency. A projected HERS index or rating is a computer simulation performed prior to construction by a third-party HERS rater using RESNET-accredited rating software, rated feature and specification data derived from home plans, features and specifications, and other data selected or assumed by the rater. The projected HERS index is approximate and is subject to change without notice. Actual results will vary.
