ABOUT THE MOONSTONE

Spacious and accommodating, the two-story Moonstone plan features an open-concept main floor and four charming bedrooms upstairs. Just off the entryway, you'll find a secluded study with a nearby powder room. Toward the back of the home, a great room flows into an inviting kitchen with a center island and adjacent dining room. Upstairs, a loft offers a versatile common area, and a sprawling owner's suite includes an attached bath and walk-in closet. If desired, opt for additional bedrooms in lieu of the study or loft.
