ABOUT THE LAYLA

The versatile Layla floor plan offers two levels of thoughtfully designed living space. On the main floor, a two-story great room and dining area open onto an inviting kitchen with a large center island and optional gourmet features. Nearby, there's a private study and a powder room, which can be optioned as a full bath. Upstairs, you'll find three secondary bedrooms with a shared bath, and a lavish owner's suite boasting a private bath and immense walk-in closet. A convenient laundry rounds out the floor. Need extra space? Add a loft, an additional bedroom or an owner's retreat to fit your lifestyle.
