ABOUT THE CORONADO

The main floor of the inviting Coronado plan offers an open layout with a spacious great room, a gourmet kitchen and a dining area. A study and a powder room are adjacent. Upstairs, you'll find a laundry, a versatile loft and three generous bedrooms, including a lavish owner's suite with an expansive walk-in closet and a private bath. Personalize this home with a sunroom and extra bedrooms in lieu of the study and loft.

*This information is presented for educational purposes only. The HERS® index for a confirmed rating will be determined by a third-party HERS rater based on data gathered from on-site observations and, if required, testing of rated features for a home as featured, optioned, located, oriented and/or built.

**Standard new home is based on the RESNET® Reference Home definition with a HERS index of 100 (based on the 2006 International Energy Conservation Code).

***Typical resale home is based on the U.S. Department of Energy definition with a HERS index of 130.

^RESNET has developed the HERS index to indicate the comparative efficiencies of homes. It is no guarantee that energy efficiencies will be achieved.
