ABOUT THE LAPIS

The lovely Lapis plan boasts versatile design and sought-after options. On the main floor, an open kitchen with a walk-in pantry and an island overlooks a dining area and a spacious great room. A flex room toward the front of the home is the perfect spot for a home gym or craft room and can also be optioned as a study. You'll find a loft and three generous bedrooms upstairs, including an elegant owner's suite with a walk-in closet and an attached bath with optional dual sinks. Need more sleeping space? Choose a fourth bedroom in lieu of the loft! Additional options include a covered patio and a 3-car garage.
