ABOUT THE JONQUIL DUO

The ranch-style Jonquil Duo plan offers a sought-after open layout, centered around an inviting great room. An adjacent kitchen with a pantry and a center island can be personalized with additional cabinets and a walk-in pantry. You'll also find a dining area that can be expanded with an optional covered patio. A well-appointed primary suite is steps away, featuring an oversized walk-in closet and an attached bath with optional double sinks. Two additional bedrooms flank a bath with an optional shower, and a laundry and 2-car garage complete this paired plan. Opt for a study in lieu of the third bedroom!
