ABOUT THE DILLON II

The Dillon II plan features an airy two-story entry and a spacious great room with a fireplace. You'll also appreciate a formal dining room and a gourmet or professional kitchen with a center island and breakfast nook. This home may be built with a main-floor study and powder room or a bedroom and full bath. Upstairs, discover four generous bedrooms, including a luxurious primary suite showcasing an immense walk-in closet and a deluxe bath with double sinks. This home may also be built with a sunroom, a loft, a finished basement and a covered patio.
