ABOUT THE YORKTOWN

The main floor of the Yorktown plan was designed for entertaining, offering a spacious great room, an open dining area and a well-appointed kitchen with a large center island. The garage leads to a convenient mudroom with a walk-in closet, and a powder room. This home may be built with a private study or a main-level bedroom. On the second floor, there's an immense loft surrounded by three bedrooms, a shared bath, a laundry and a primary suite showcasing an attached bath and a walk-in closet. This plan may also offer gourmet kitchen features, a sunroom, an alternate primary bath layout, a finished basement and a covered patio.
