ABOUT THE ELDERBERRY

The notable Elderberry plan boasts three bedrooms, including a relaxing primary suite with a spacious walk-in closet and a private bath. At the heart of the home, you'll find an impressive great room, a dining room and a well-planned kitchen showcasing a center island and a generous walk-in pantry. An upstairs loft and covered patio offer additional versatility. A convenient laundry room is also included. This home will be built with either a study and a powder room or a main-floor bedroom with a full bath.
