ABOUT THE EMERALD

The Emerald floor plan shines as brightly as its namesake. A covered entry greets guests, and leads past two generous bedrooms and a shared bath. An airy, open layout showcases a well-appointed kitchen, dining room and great room, which has access to a covered patio via center-meet doors. An impressive primary suite is adjacent, and includes a walk-in closet and an attached bath. A second suite, which boasts a living room, a bedroom and a full bath, completes the home.
