ABOUT THE HEMINGWAY

The main floor of the inspired Hemingway plan showcases a convenient powder room, a spacious great room and a well-appointed kitchen with a walk-in pantry and a center island. This level will be built with either a study or a living room and an open dining area or a charming sunroom. Upstairs, you'll find a laundry, a shared bathroom and four bedrooms, including a lavish primary suite boasting a roomy walk-in closet and a private bath that may include deluxe features. This floor will be built with either a loft or a fifth bedroom and third bathroom. A finished basement with two bedrooms, a bathroom and a large rec room that may include a wet bar rounds out this plan. Select homes will offer a gourmet kitchen and/or a relaxing covered patio.
