

THE LAPIS

Approx. 2,180 sq. ft. | 2 stories | 3-4 bedrooms | 2- to 3-car garage | Plan #U915

CRAWL SPACE

ELEVATION G

ABOUT THE LAPIS

The main floor of the Lapis plan showcases an open layout with a flex room, a great room, a dining area and a large kitchen with a convenient center island and a walk-in pantry. Upstairs, you'll find a loft, a full bath, two bedrooms with walk-in closets and a primary suite with a walk-in closet and a private bath. Select homes could include a fourth bedroom in lieu of the loft, or a private study in place of the flex room. Designer-curated fixtures and finishes complete this dynamic plan.

^^Square footage and plan dimensions are approximate and may show approximate total available footage with finished and unfinished footages listed separately. Unfinished areas may be available to be finished. Finished basement areas below-grade may vary in value from finished above-grade areas. Actual homes may vary from renderings, which may depict optional features, furniture layout and/or an elevation that may not be available on all homes which may change the footages and could change without notice. Drawings may not be to scale. Some structural options may not be available in combination. Ask a sales associate if you need assistance in personalizing your plan. Floor plans and renderings are conceptual drawings and may vary from actual plans and homes as built. Options and features may not be available on all homes and are subject to change without notice. Actual homes may vary from photos and/or drawings which show upgraded landscaping and may not represent the lowest-priced homes in the community. Features may include optional upgrades and may not be available on all homes. Square footage and plan dimensions are approximate and may show approximate total available footage with finished and unfinished footages listed separately.
