ABOUT THE DALEY

The main floor of the must-see Daley plan offers an open dining area and an expansive great room that flows into a gourmet kitchen with a center island and walk-in pantry. There is also a convenient bedroom with an attached bath, a secluded study or formal dining room, and a cheerful covered patio. Upstairs, discover a large loft and four inviting bedrooms, including an eye-catching primary suite with a deluxe bath and oversized walk-in closet. This home may also be built with an additional bedroom in lieu of the loft, a professional kitchen and a finished basement.
