ABOUT THE TOURMALINE

The two-story Tourmaline plan offers abundant curb appeal. The main floor showcases an open layout with a great room, a dining area and a beautiful kitchen boasting a center island. This home will be built with either a study and a powder room or an extra bedroom and bath on the main level. Upstairs, the primary suite features an immense walk-in closet and a private bath. The second floor will be built with either a loft or an additional bedroom. You'll love the professionally curated fixtures and finishes selected by our design team!
