ABOUT THE SOHO

Showcasing an array of attractive features, the Soho plan is designed to complement your modern lifestyle. On the main floor, a corner kitchen overlooks an open dining area and a relaxing living room, and a bedroom and a full bath are adjacent. The upper level boasts a beautiful primary suite, complete with a generous walk-in closet and private bath. A central laundry, a rooftop terrace and a deck round out this home. You'll love the professionally curated fixtures and finishes!
